Quotes by Abbey, Edward

from QuotationsBook.com

Edward Paul Abbey (January 29, 1927 - March 14, 1989) was an American author and essayist noted for his criticism of public land policies and advocacy of environmental issues. His best-known works include the novel *The Monkey Wrench Gang*, which has been cited as an inspiration by radical environmental groups, and the non-fiction work *Desert Solitaire*.

Growth for the sake of growth is the ideology of the cancer cell.

- Abbey, Edward

A patriot must always be ready to defend his country against his government.

- Abbey, Edward

Society is like a stew. If you don't stir it up every once in a while then a layer of scum floats to the top.

- Abbey, Edward

Belief in the supernatural reflects a failure of the imagination.
