Quotes about Acquaintance

from QuotationsBook.com

Acquaintance: a degree of friendship called slight when its object is poor or obscure, and intimate when he is rich or famous.

- Bierce, Ambrose

Acquaintance. A person whom we know well enough to borrow from, but not well enough to lend to.

- Bierce, Ambrose

An acquaintance is someone we know well enough to borrow from, but not well enough to lend to.

- Bierce, Ambrose

The beginning of an acquaintance whether with persons or things is to get a definite outline of our ignorance.

- Eliot, George

I believe we shall come to care about people less and less. The more people one knows the easier it becomes to replace them. It's one of the curses of London.

- Forster, Edward M.

We need two kinds of acquaintances, one to complain to, while to the others we boast.

- Smith, Logan Pearsall

The mere process of growing old together will make the slightest acquaintance seem a bosom friend.

- Smith, Logan Pearsall

Getting to know someone is like investigating a crime scene where the culprit is constantly allowed to rearrange the evidence.

- Mithani, Adnan
