Quotes about Energy

from QuotationsBook.com

Energy is equal to desire and purpose.

- Adams, Sheryl

Energy is an eternal delight, and he who desires, but acts not, breeds pestilence.

- Blake, William

If your energy is as boundless as your ambition, total commitment may be a way of life you should seriously consider.

- Brothers, Dr. Joyce

Coal is a portable climate. It carries the heat of the tropics to Labrador and the polar circle; and it is the means of transporting itself whithersoever it is wanted. Watt and Stephenson whispered in the ear of mankind their secret, that a half-ounce of coal will draw two tons a mile, and coal carries coal, by rail and by boat, to make Canada as warm as Calcutta, and with its comfort brings its industrial power.

- Emerson, Ralph Waldo

Energy and persistence alter all things.

- Franklin, Benjamin

Is it a fact -- or have I dreamt it -- that, by means of electricity, the world of matter has become a great nerve, vibrating thousands of miles in a breathless point of time?

- Hawthorne, Nathaniel

The energy produced by the breaking down of the atom is a very poor kind of thing.

Anyone who expects a source of power from the transformation of these atoms is talking moonshine.

- Rutherford, Ernest

Controlled deep breathing helps the body to transform the air we breathe into energy. The stream of energized air produced by properly executed and controlled deep breathing produces a current of inner energy which radiates throughout the entire body and can be channeled to the body areas that need it the most, on demand.

- Zi, Nancy
